Highlights

Thermal jug

The unbreakable stainless steel thermal jug of this Philips coffee machine maintains perfect temperature and aroma for hours.

Drip stop

Drip stop to interrupt coffee brewing whenever you want to pour a cup of coffee

Water level indicator

Philips has developed an innovative water level indicator, allowing you to follow easily how many cups you filled in the water tank.

Direct auto shut-off

After brewing your filter coffee, the Philips coffeemaker switches off automatically. The thermal jug will ensure that the coffee stays warm for a long time.
