

Steam iron with non-stick soleplate

- Steam 15 g/min
- 60 g steam boost
- Non-stick soleplate
- Calc-clean

GC1424/40

Iron 30% faster with steam*

There's so much more to life than household chores, so you want to get them done as quickly as possible. With continuous steam, non-stick coating and a built-in water spray, this iron is designed to remove wrinkles from garments quickly.

Benefits

Longer lifetime

- Calc-clean to extend iron's life by years

Easy to use

- Comfortable handle and stable heel rest for extra stability
- Integrated water spray to make ironing easier
- Large filling door to prevent water spilling
- Large temperature control dial for different kinds of fabrics
- Triple precision tip for optimal control and visibility

Fast crease removal

- Non-stick soleplate coating
- Power up to 1400 W enabling constant high steam output
- Continuous steam up to 15 g/min for fast crease removal
- Steam boost up to 60 g

PHILIPS

Featherlight Plus

Features

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Power up to 1400 W

Power up to 1400 W enabling constant high steam output.

Calc-clean

Calc-clean to extend iron's life by years

Comfortable handle and stable

Comfortable handle and stable heel rest for extra stability

Integrated water spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Large filling door

Large filling door to prevent water spilling accidentally.

Temperature control dial

The large temperature control dial allows you to adjust easily to the right ironing temperature for each kind of fabric, so you can achieve your desired results safely.

Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek nose design. The triple precision tip enables you to reach even the most tricky areas, e.g. around the buttons or between the pleats.

Continuous steam up to 15 g/min

Continuous steam up to 15 g/min for fast crease removal.

Steam boost up to 60 g

Steam output is measured in grams of weight as it leaves the soleplate. The heavier the output, the deeper the steam can reach into the fabric layers for longer-lasting crease removal. This steam iron has a 60 g steam boost for stubborn crease removal.
