HD6592/01

A jug to share or a cup just for you

The only 2-in-1 coffee maker with filter and pads

Brew your favorite big pot of filter coffee to share, or enjoy just a cup for you with the finest crema layer from one of the various Senseo blends. Press once for a long smooth cup of pad coffee or twice for a stronger, shorter cup.

Fast and easy operation

- The decalcifying light reminds you when to descale
- 1L water tank to brew up to 7 cups in one go
- Brew jugs and cups at the touch of a button
- Direct auto shut-off after brewing for energy saving

Coffee variety for every moment

- Intensity Select for long smooth and short intense coffee
- DualBrew technology for filter and pad coffee in one machine
- Variety of pad and filter coffee blends for every moment
- Stainless steel thermal jug for 7 cups of filter coffee
- 1 or 2 cups Senseo® coffee in less than a minute

Enjoy the best tasting Senseo® and filter coffee

- Stainless steel thermal jug for a hot cup of filter coffee
- Crema Plus for a finer and more velvety crema layer
- Delicious crema layer as proof of Senseo® quality

Highlights

DualBrew Technology

Drink your coffee at its best. DualBrew Technology ensures that each cup of Senseo® coffee and each jug of filter coffee is brewed into perfection with the right pressure and amount of water.

Variety of pad & filter coffee

With Senseo® Switch you can enjoy a large variety of pad and filter coffee blends and flavors. Therefore you can always drink the coffee you like the most.

Jug for 7 cups

The stainless steel thermal jug offers you to brew up to 7 cups of authentic filter coffee in one go. Ideal for a lazy Sunday morning breakfast or when you want to enjoy coffee together.

1 or 2 cups at the same time

This Senseo® coffeemaker prepares one or two cups of delicious Senseo® coffee from pads in less than a minute.

Stainless steel thermal jug

The stainless steel thermal jug maintains the temperature and aroma for hours

Crema plus technology

Crema Plus technology ensures the finest and most velvety crema layer. For each SENSEO® cup of coffee.

Intensity Select

SENSEO® Switch now offers you more choice as it has an extra coffee recipe setting. Next to the long, smooth SENSEO® coffee you can choose as well to brew a strong, smaller SENSEO® coffee. Simply double click the 1 or 2 cup button for a strong, short SENSEO® coffee.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.
