Highlights

DualBrew Technology

Drink your coffee at its best. DualBrew Technology ensures that each cup of Senseo® coffee and each jug of filter coffee is brewed into perfection with the right pressure and amount of water.

Variety of pad & filter coffee

With Senseo® Switch you can enjoy a large variety of pad and filter coffee blends and flavors. Therefore you can always drink the coffee you like the most.

Jug for 7 cups

The stainless steel thermal jug offers you to brew up to 7 cups of authentic filter coffee in one go. Ideal for a lazy Sunday morning

breakfast or when you want to enjoy coffee together.

1 or 2 cups at the same time

This Senseo® coffeemaker prepares one or two cups of delicious Senseo® coffee from pads in less than a minute.

Stainless steel thermal jug

The stainless steel thermal jug maintains the temperature and aroma for hours

Intensity Select

SENSEO® Switch now offers you more choice as it has an extra coffee recipe setting. Next to the long, smooth SENSEO® coffee you can choose as well to brew a strong, smaller SENSEO® coffee. Simply double click the 1 or

2 cup button for a strong, short SENSEO® coffee.

Crema plus technology

Crema Plus technology ensures the finest and most velvety crema layer. For each SENSEO® cup of coffee.

Delicious crema layer

The fine Senseo® pad selection and the DualBrew technology make sure that your perfect cup of Senseo® pad coffee always comes with a rich and delicious crema layer.
