

Meet the everyday classic preserver

AEG AutoDose washing machines will see your confidence in washing restored. Load the machine as normal and the sensor will accurately adjust water, energy and washing time to the nearest 1kg of clothes. Based on this, the precise amount of detergent and softener is automatically dosed. The precise dosage cleans, protects and

Quality clothes are made to be worn, but everyday pieces need care to maintain their condition. Whether you wash one shirt or a full load, AEG washing machines will adjust the cycle accordingly, reducing wear and tear by taking the minimum amount of time, water and energy necessary for a thorough clean. Keeping clothes looking

Product Benefits & Features

Caring for clothes. Saving water and energy

ProSense technology® automatically weighs each load to provide a tailored cycle. Sensors then adjust washing times precisely, ensuring optimum treatment for every garment. Your laundry comes out with that fresh, new feeling every time, plus you save water and energy.

- 10 kg wash capacity
- 1400 spin speed RPM
- Inverter motor
- Programmes include:
 - Anti-allergy programme
 - Wool plus programme
 - Easy iron programme
 - Delicate programme
 - Cottons programmes
 - Synthetics programmes

Enjoy the feeling of softer clothes

This washing machine gets results you'll notice as soon as the last spin is over. Because SoftPlus makes sure that softener reaches every part of the fabric when it enters the drum, it helps your clothes feel softer, silkier, and smoother than ever before, while protecting fibres and prolonging the

Energy efficient washing in the quickest time possible

Many Eco programmes save you energy. The Eco TimeSave also saves you time. The programme allows you to select ECO and TimeSave options together, giving you an energy efficient wash that's as quick as possible.

Protection for your clothes

All AEG machines have our ProTex gentle drum, specially designed to take care of your clothes. Gentle water jets lift and protect your laundry as it washes. With more holes than standard machines, our drum reduces the stretching of fabric, maintaining the shape and texture of clothes during spin

Product Specification
