

#### Introducing the sharp shirt defender

Integrated with other kitchen appliances, AEG's built-in washing machine makes less noise while providing absolute care. ProSteam® uses vapour at the end of cycles to reduce wrinkles while refreshing garments between cycles. Minimising the need for ironing and dry-cleaning for items like shirts.

Integrated with other kitchen appliances, AEG's built-in washing machine makes less noise while providing absolute care. ProSteam® uses vapour at the end of cycles to reduce wrinkles while refreshing garments between cycles. Minimising the need for ironing and dry-cleaning for items like shirts.

#### Product Benefits & Features

ProSteam uses steam as a quick and easy way to refresh creased clothes so they're ready to wear. The short, gentle programme safely removes odours and reduces creases in dry fabrics. Or you can finish your wash cycle with a gentle steam so clothes need little to no ironing.

- Large LCD display
- LED display
- 7 kg wash capacity
- 1400 spin speed RPM
- Programmes include:
  - Wool plus programme
  - Delicate programme
  - Cottons programmes
  - Synthetics programmes
- Options include:

**Customised cycles with ProSense Technology®**  
ProSense Technology® automatically weighs each load to provide a tailored cycle. Sensors then adjust washing times precisely, ensuring optimum treatment for every garment. Your laundry comes out with that fresh, new feeling every time, plus you save water and energy.

**Softener reaches every fibre with SoftPlus**  
SoftPlus makes sure that softener reaches every part of the fabric when it enters the drum, it helps your clothes feel softer, silkier, and smoother than ever before

#### Fast meets efficient with Eco TimeSave

Select a washing cycle that is both fast and energy-efficient with the Eco TimeSave option. This provides spotless results in the shortest time possible, while using the minimal amount power.

#### A quiet machine for a comfortable home

The quiet washing machine ensures low noise levels when running a cycle. Minimising disruptions and maintaining a comfortable home.
