PHILIPS

Highlights

Adjustable spout

By raising or lowering the spout you can adjust your The POD six coffee machine to the size of your favourite cup or mug.

Automatic shut-off (30 min)

Your The POD six coffee machine automatically switches off after 30 minutes, allowing you to save energy.

Decalcification indicator

The Philips coffee machine will remind you when to descale your appliance. Regular descaling ensures the

best taste of your coffee and prevents limescale from tap water.

Delicious coffee crema layer

Delicious coffee crema layer as proof of The POD six premium coffee quality.

Variety of blends and flavors

The POD six offers you a large variety of coffee blends and flavors, each with its own distinctive taste to fit your personal preference.
