PHILIPS

Coffee maker
With glass jug Black & metal

HD7459/20

Highlights

Pre-settable timer

The Philips coffeemaker has an integrated timer. Simply prepare your coffee machine, set the time and wake-up to the smell of freshly brewed coffee.

Water level indicator

Philips has developed an innovative water level indicator, allowing you to follow easily how many cups you filled in the water tank.

Drip stop

Drip stop to interrupt coffee brewing whenever you want to pour a cup of coffee

Auto shut-off

Forgot to turn off the coffee machine? Don't worry! 2 hours after brewing the coffee, the coffee machine will shut off automatically to save energy.

Dishwasher-proof parts

All parts of this Philips coffeemaker are dishwasher-proof for easy and convenient cleaning.
