Delicious coffee at the touch of a button

With SENSEO® Viva Café coffeemaker

Enrich your coffee moments with SENSEO® Viva Café coffeemaker! Its iconic design offers delicious coffee at a touch of a button. The wide set of features, like the adjustable spout and calc indicator, provides you the ultimate convenience.

Fast and easy operation

- Coffee at the touch of a button
- 1 or 2 cups of coffee in less than a minute
- 30 minutes auto shut-off for energy saving
- Adjustable spout to fit your favorite cup
- Light indication reminds you when to decalcify

Always a delicious cup of coffee

- Delicious coffee crema layer as proof of SENSEO® quality
- Unique SENSEO® coffee brewing system for optimal taste

Coffee variety for every moment

- Variety of coffee blends and flavors for different tastes

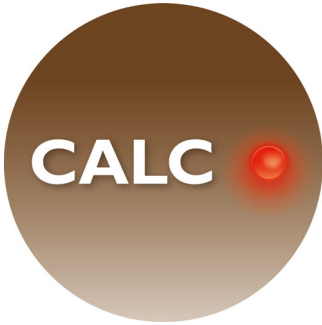

Senseo®

PHILIPS

Highlights

Decalcification indicator

The Philips coffee machine will remind you when to descale your appliance. Regular descaling with the special developed SENSEO® descaler ensures the best taste of your coffee and prevents limescale from tap water.

Adjustable spout

By raising or lowering the spout you can adjust your SENSEO® coffee machine to the size of your favorite cup or mug.

Automatic shut-off

Your SENSEO® coffee machine automatically switches off after 30 minutes, allowing you to save energy.

Variety of blends and flavors

SENSEO® offers you a large variety of coffee blends and flavors, each with its own distinctive taste to fit your personal preference.
