TECHNOLOGIES

Nilfisk-ALTO BUDDY

– A range of All Purpose Vacuum Cleaner in a small package for everyone who needs to pick up Wet & Dry debris.

▲ BUDDY 18

▲ BUDDY 15

The Nilfisk-ALTO BUDDY is a small, lightweight, powerful helper for everyone who needs to pick up Wet & Dry debris... for the home, car, workshop and hobbies. Choose the 15 or 18 liter container with the new Fleece Filter Bag system which can be left in place even for moist debris.

Easy to carry around. Equipped with a powerful 1300 Watt motor and a high airflow, the BUDDY will deal with any wet or dry debris you want to pick up.

The BUDDY is delivered with the necessary accessories so you can start right away.

Features

- The light weight makes it easy to move around.
- 1300 Watt motor will pick up any debris you want to get rid of.
- With two big wheels in the back and a castor in front, makes the machine stable.
- New Fleece filter bag system, allows you to pick up moist materials without ruining the filter bag and secures a high filtration.
- The standard wet filter, protects your turbine for a long lifetime.
- The built in accessory holder, provides storage for your accessories so they are always at hand.
- Ergonomic grip, so you'll have a balanced machine when you carry it around.
